

TO: Tea Party Questionnaire

FROM: Bob Doll, School Board, District One, Four Year Position

(1)MY QUALIFICATIONS FOR THIS POSITION:

Former School Board Chairman- I was the last member of the school board appointed by the county commission back in 1995. At the first meeting I attended, the divided board came together and voted me as their chairman.

Former Budget Chairman of the County Commission- After serving on the school board, I was elected to the county commission. The majority of my fellow commissioners then voted me chairman of the budget committee. This committee dealt with both the school budget and the overall county budget.

Certified Public Accountant- I have been a self employed businessman with my office in Somerville since 1975. My practice has included auditing and providing other services to various school systems in West Tennessee, including Fayette County prior to being appointed to the school board.

Father of Two Fayette Ware Graduates- I have been a parent in this public school system. I know from both the professional side as well as the personal side the areas where improvements are needed.

(2A) ISSUES

ACADEMICS

We need to return control of the classroom back to the classroom teacher, where the learning process takes place. We also need to get serious about discipline.

FINANCIAL

We need to better manage current school funding before requesting or receiving any additional taxpayer dollars. We need to eliminate wasteful administrative costs and put those savings into the classroom.

(2B) I am against busing for racial quotas.

(2C) No.

(2D) Regulations

Lack of focus on core subjects.

Lack of accountability.

Financing

Lack of parental choice
