Dear Fellow Fayette Countian,

I am seeking your support as a candidate for re-election to the Fayette County Board of Education as a School Board Member in **District #1**. As you may know, Fayette County is experiencing growth in many areas, especially housing. With growth comes challenges in other areas especially the education of our children. It is our obligation as responsible adults, parents/guardian and citizens to live so that when our children think of fairness, caring and integrity they think of us.

As a lifelong resident of **Fayette County** with over 38 years experience working in the Fayette County School System (**8 years as a School Board Member**) I have developed a strong understanding of the job and needs of the students. I am dedicated and committed to quality education for all students; and, I am confident that I have the skills to work with the members of the School Board and community to develop and implement new and innovative ideas in the school system so that our children will have a solid educational base which will enable them to grow into healthy, productive and responsible individuals.

According to Shirley Chisholm, "Service is the rent you pay for room on this planet." Please consider my candidacy and vote for me on **August 5, 2010** for School Board Member in District #1. I would love to have the opportunity to serve.

If you have any questions or would like to speak to me regarding my candidacy, please feel free to contact me at the following telephone number (901) 465-2764.

Sincerely,

Evangeline "Van" Shaw
